<p>Commencement of Submission of Online application forms</p>	<p>27-02-2019 (Wednesday)</p>
<p>Last date for submission of online applications without late fee (Only Registration Fee Rs.550/-)</p>	<p>27-03-2019 (Wednesday)</p>
<p>Last date for submission of online applications with late fee of Rs. 2000/-(+ Rs.550/- Registration Fee).</p>	<p>04-04-2019(Thursday)</p>
<p>Correction of online application data already submitted by the candidate</p>	<p>05-04-2019 (Friday) TO  14-04-2019(Sunday)</p>

Downloading of Hall-tickets from the website <a href="https://sche.ap.gov.in/icet">https://sche.ap.gov.in/icet</a>	15-04-2019 (Monday)
Date of AP ICET – 2019 Examination	26-04-2019 (Friday)
Time of Examination	10 AM to 12-30 PM & 2-30 to 5-00 PM in two sessions
Declaration of Preliminary Key	26-04-2019. 6.00.PM (Friday)
Last Date for receiving of objections on Preliminary Key	29-04-2019. 5.00.PM (Monday)
Declaration of Results	06-05-2019 (Monday)

**Introduction:**

Andhra Pradesh Integrated Common Entrance Test (APICET-2019) is conducted by Sri Venkateswara University, Tirupati on behalf of A.P. State Council of Higher Education for admission into

- First year of Master of Business Administration (MBA) and Master of Computer Applications (MCA)
- Lateral entry into Second year of Master of Computer Applications (MCA) programmes

in University colleges and their affiliated colleges for the academic year 2019-20.

**Eligibility to appear for APICET-2019:**

- a) The candidates should be Indian Nationals and should satisfy local/non-local

status requirements laid down in the Andhra Pradesh Educational Institutions (Regulations of Admission) Order, 1974 as amended.

- b) The candidates shall satisfy the rules of the concerned universities where they take admission.

- c) The candidates seeking admission –

- should have studied and passed 3 year Degree course in any faculty conducted by the Universities or its equivalent Degree Examination in 10 + 2 + 3 pattern as recognized by U.G.C (University Grants Commission). **For recognized universities please log on to [http://www.ugc.ac.in/recog\\_College.aspx](http://www.ugc.ac.in/recog_College.aspx) For degrees / universities permitted by distance education bureau, please log on to <http://www.ugc.ac.in/deb> and follow the link Recognition information.**
- **MBA** - Degree of 3 years duration from any recognized University or its equivalent with Mathematics as one of the subjects at 10<sup>th</sup> class level.
- **MCA** - Degree of 3 years duration with “Mathematics” as one of the subject **at Intermediate or Degree level.**
- **MCA-2<sup>nd</sup> YEAR DIRECT (lateral entry)**- BCA or Degree holders in IT/CS with Mathematics at 10+2 or Degree level.
- **Note: (Candidate who passed all the subjects of the three years of any Degree course in one sitting is not eligible for admission into MBA or MCA Course**
- Candidate with aggregate marks of 50% (45% in case of reserved categories) are alone are eligible to take admission through APICET as per the latest AICTE Approval Process Handbook 2019-20.
- Candidates shall fulfil the eligibility criteria laid down in relevant Government Orders in vogue at the time of admissions.
- The qualifying Degree obtained by Distance Mode Program should have recognition by Joint Committee of UGC, AICTE and DEC/DEB.
- The candidates who are appearing for the final year degree examination shall also be eligible to appear for APICET-2019.

#### **Applying for APICET-2019:**

- The candidates who satisfy eligibility criteria stated above can apply for APICET-2019 through an online application in the web site <https://sche.ap.gov.in/icet> the details of which are given in User manual.
- The schedule of receiving application is given on the first page under “Important Dates”.
- The test is scheduled to be conducted in the following centers and the candidate can choose centers listed in any two districts.

**District**

**Locations**

ANANTAPUR	ANANTAPUR, GOOTY, HINDUPUR
CHITTOOR	CHITTOOR , MADANAPALLE , PUTTUR , TIRUPATI
EAST GODAVARI	KAKINADA , RAJAHMUNDRY , AMALAPURAM
GUNTUR	BAPATLA , GUNTUR , NARASARAOPETA
HYDERABAD	LB NAGAR
KRISHNA	GUDLAVALLERU ,KANCHIKACHERLA ,MYLAVARAM ,VIJAYAWADA, MACHILIPATNAM
KURNOOL	KURNOOL ,NANDYAL
PRAKASAM	CHIRALA, MARKAPURAM, ONGOLE

SRI POTTI SRI RAMULU	
NELLORE	GUDUR, KAVALI, NELLORE
SRIKAKULAM	RAJAM, SRIKAKULAM, TEKKALI
VISAKHAPATNAM	ANAKAPALLI, ANANDAPURAM,GAJUWAKA, VISAKHAPATNAM
VIZIANAGARAM	BOBBILI, VIZIANAGARAM
WEST GODAVARI	BHIMAVARAM, ELURU, NARASAPURAM, TADEPALLIGUDEM
YSR KADAPA	KADAPA, PRODDATUR, RAJAMPETA

- However, Convener reserves the right to allot candidates to any other center(s) in unavoidable circumstances.
- The test will be conducted on 26-04-2019 **IN TWO SESSIONS** from 10-00 AM TO 12-30 PM , 2-30 PM TO 5-00 PM. Candidate applied for the test can be allotted to any of the two sessions.
- **MEDIUM OF TEST:** English only for Section-C and English & Telugu for Section-A & Section-B of the question paper

**About APICET-2019:**

**GENERAL INFORMATION:** The test is designed to measure the candidate's ability to think systematically, to use the verbal and mathematical skills and to assess his/her aptitude for admission into MBA/MCA programme. The Test emphasizes accuracy. Therefore, the candidate is required to go through the instructions carefully. This is an objective type test and the questions are of multiple choice. Out of the given options, the candidate has to choose the correct answer. If the Candidate gives more than one answer to any question, such answers will be ignored while awarding marks.

**PATTERN OF THE TEST:** The test consists of 200 questions of one mark each in the following topics.

Details	No. of Questions	Remarks
<b>Section-A: Analytical Ability</b>		DURATION OF THE TEST 150 MINUTES
(i) Data Sufficiency	20	
(ii) Problem Solving	55	
<b>Section-B: Mathematical Ability</b>		
(i) Arithmetical Ability	35	
(ii) Algebraical and Geometrical Ability	30	
(iii) Statistical Ability	10	
<b>Section-C: Communication Ability</b>		
(i) Vocabulary	10	
(ii) Business and Computer Terminology	10	
(iii) Functional Grammar	15	
(iv) Reading Comprehension	15	
<b>TOTAL</b>	<b>200 MARKS</b>	

### SYLLABUS CONTENT OF THE TEST:

#### Section-A: Analytical Ability:

1. **Data Sufficiency:** A question is given followed by data in the form of two statements labelled as (i) and (ii). If the data given in (i) alone is sufficient to answer the question then choice (1) is the correct answer. If the data given in (ii) alone is sufficient to answer the question then choice (2) is the correct answer. If both (i) and (ii) put together are sufficient to answer the question but neither statement alone is sufficient, then choice (3) is the correct answer. If both (i) and (ii) put together are not sufficient to answer the question and additional data is needed, then choice (4) is the correct answer.

#### 2. Problem Solving

**a) Sequences and Series:** Analogies of numbers and alphabet, completion of blank spaces following the pattern in a:b::c:d relationship; odd thing out: missing number in a sequence or a series.

**b) Data Analysis:** The data given in a Table, Graph, Bar diagram, Pie Chart, Venn Diagram or a Passage is to be analyzed and the questions pertaining to the data are to be answered.

**c) Coding and Decoding Problems:** A code pattern of English Alphabet is given. A given word or a group of letters are to be coded or decoded based on the given code or codes.

**d) Date, Time & Arrangement Problems:** Calendar problems, clock problems, blood relationships, arrivals, departures and schedules, seating arrangements, symbol and notation interpretation.

## **Section-B: Mathematical Ability**

### **I. Arithmetical Ability**

Laws of indices, ratio and proportion; surds; numbers and divisibility, l.c.m. and g.c.d; Rational numbers, Ordering.; Percentages; Profit and loss; Partnership, Pipes and cisterns, time, distance and work problems, areas and volumes, mensuration, modular arithmetic.

### **II. Algebraical and Geometrical Ability**

Statements, Truth tables, implication converse and inverse, Tautologies-Sets, Relations and functions, applications – Equation of a line in different forms.

Trigonometry - Trigonometric ratios, Trigonometric ratios of standard angles, ( $0^\circ$ ,  $30^\circ$ ,  $45^\circ$ ,  $60^\circ$ ,  $90^\circ$ ,  $180^\circ$ ): Trigonometric identities: sample problems on heights and distances,

Polynomials; Remainder theorem and consequences; Linear equations and expressions;

Progressions,

Binomial Theorem,

Matrices,

Notion of a limit and derivative;

Plane geometry - lines, Triangles, Quadrilaterals, Circles,

Coordinate geometry-distance between points.

### **III. Statistical Ability:**

Frequency distributions, Mean, Median, Mode, Standard Deviation, Correlation, simple problems on Probability.

## **Section-C: Communication Ability**

### **Objectives of the Test:**

Candidates will be assessed on the ability to:

1. Identify vocabulary used in day-to-day communication.
2. Understand the functional use of grammar in day-to-day communication as well as in business contexts.
3. Identify the basic terminology and concepts in computer and business contexts (letters, reports, memoranda, agenda, minutes etc.).
4. Understand written text and drawing inferences.

Part 1: Vocabulary

Part 2: Business and Computer terminology

Part 3: Functional Grammar

Part 4: Reading Comprehension (3 Passages)

## **PREPARATION OF MERIT LIST AND ASSIGNING OF RANK IN APICET-2019:**

- The candidates who have secured 25% qualifying marks in APICET [ 50 out of 200 ] and candidates belonging to the category of SC and ST to whom

qualifying marks have not been prescribed, shall be assigned the rank in the order of the merit on the basis of marks obtained in ICET.

- For the preparation of merit list, in case more than one student scoring the same marks at APICET, the tie will be resolved as follows:
  - By considering the marks scored in Section-A
  - If the tie persists, marks obtained by a student in Section-B will be taken into consideration
  - If the tie still persists, the tie will be resolved by taking into account age of the candidate giving the older candidate priority
- Merit rank obtained in APICET-2019 is valid for admission in the academic year 2019-20 in the colleges located in the state of Andhra Pradesh.
- All disputes arising out of any matter concerning APICET-2019 shall be subject to the jurisdiction of High Court of TS & AP only. In such disputes, only the Convener, APICET- 2019 and the Secretary, APSCHE can be impleaded as respondents.

#### NORMALIZATION OF SCORES

- APICET-2019 is being conducted in two sessions based on the same syllabus, same pattern for candidates having same eligibility criteria. A candidate will be eligible to appear only in one session. Since the question paper will be different for each session, there is a possibility that the candidates compare themselves about the variation in the difficulty level of questions. However, it may be noted that utmost care will be taken so that all the papers are of same standard. Further, it is decided to adopt a normalization process to eliminate any such variations in the difficulty level of various sessions.
- What is Normalization?
- Normalization, as used in Indian context, is a process for ensuring the students neither advantaged nor disadvantaged by the difficulty of examinations conducted in multiple sessions. This process is based on a simple formula which has been adopted as recommended by the experts from reputed educational institutions at all India level and Universities. The process is being implemented in other all India / Nationwide entrance tests for admission into undergraduate and graduate professional courses. Normalisation process ranks all the candidates across all sessions on a comparative scale. In any normalization process, the marks of the easier session may be reduced marginally and the marks of the harder paper may increase marginally on the global level, depending on the average performance in each session. If there is no much difference in the averages between two sessions then there won't be much difference in the normalized marks as well. Normalizing marks would justify the candidates while protecting their actual performance.
- **APICET marks Normalization Process:**

- The main aim of the normalization is to justify the candidates who got a difficult paper compared to an easier paper. Hence, the task is to rationalize in a best possible sense and rank the candidates based on the global performance. Various national level examination bodies like CAT, JEE (Main), GATE etc. are currently adopting such normalization procedures. Correspondingly, Committee on normalization has deliberated extensively and decided to use the following normalization procedure.
- 
- **SMS:** (Average + Standard Deviation) of the session in which the candidate belongs to
- **GMS:** (Average + Standard Deviation) of all the candidates across all sessions together
- **TopAverageSession:** Average marks of the top 0.1% of the candidates in the session in which the candidate belongs to
- **TopAverageGlobal:** Average marks of the top 0.1% of all the candidates across all sessions together
- **Notes:**
- For the candidates for whom there is no qualifying cut off in APICET-2019, if the marks in APICET-2019 after normalization go below zero (negative), the total marks are treated as zero and the ranks are assigned based on those marks. If tie persists, then APICET-2019 normalization marks will be considered for breaking the tie.
- **Demonstration with a sample data:**
- The following is based on a sample data to explain the normalization process. The data is based on almost equal number of candidates in both sessions. The normalization is shown subject wise so that the students get benefit based on subject wise performance rather than the entire paper in a session.
- **Averages and Standard Deviations in a particular session and averages of top 0.1% candidates of a particular session, Global Average and Standard Deviations of all sessions together, Averages of top 0.1% candidates in all sessions is given in Table 1. Example data of normalized marks is shown in Table 2 to Table 4.**

• **Table 1: Averages and Standard Deviations of sample data**

APICET-2015		SECTION-A	SECTION-B	SECTION-C
Session1	Avg	26.65834	22.34934	15.44961

•

#### **GENERAL INFORMATION / INSTRUCTIONS:**

1. The Convener or/and the Common Entrance Test Committee reserve the right

to reject the application of a candidate at any stage, if. a) the application is incomplete. b) the candidate fails to satisfy the prescribed eligibility conditions. c) false or incorrect information is furnished.

2. Any change whatsoever, including that of caste/community status or category,

shall not be permitted to be made in the filled in application once it is submitted to the Convener. No correspondence will be entertained in this regard

3. The Convener is not responsible for the non – submission of application by

the notified date and time for any reason whatsoever.

4. The Candidate should preserve the hall ticket to produce it at the time of test

and later at the time of entry into the course.

5. Applicants should download hall tickets from website

<https://sche.ap.gov.in/icet> only.

6. The appearance at AP ICET – 2019 does not entitle any candidate to be

considered for entry into the course automatically.

7. The rank obtained with the benefit of relaxation of minimum qualifying marks

at the AP ICET-2019 by any candidate, claiming to belong to SC/ST category, will be cancelled in case the claim is found to be invalid later or at any point of time.

8. The selection of candidates and allotment to colleges will be on the basis of

rank obtained at the Common Entrance Test and other conditions laid down.

9. Candidate will not be permitted into the exam hall after the scheduled time on the date of entrance test.

10. In any litigation, the party to be impleaded shall be the Convener of the AP

ICET- 2019 only and this shall be subject to the jurisdiction of High Court of A.P.

**11. Candidates are advised to practise the mock tests placed in the website and familiarize with the mode of attempting the online test.**
