I am directed to inform that the A P State Council of Higher Education (APSCHE) has recently undertaken a review of the rules and procedures for sanction of New Private Unaided Degree Colleges and Courses and other related issues as part of its efforts to enhance quality in Private Unaided Degree Colleges and Postgraduate Colleges in the State.

- a) Survey features to determine the need for starting new colleges / courses
- b) Eligibility criteria for the Societies intending to start new colleges
- c) Land / Building / Financial requirements for starting new colleges
- d) Space requirements for classrooms / laboratories
- e) Joint Inspection Committees – composition and authority
- f) Role of CDC in the University
- g) Any other related issues

The information received should be sent to the undersigned on or before 12.02.2016 by email to apschendc@gmail.com. This matter may be treated as MOST URGENT.
